LIFT CAPACITY

13,227 lbs at 8'6"
 947 lbs at 52'10"

The Preston Rentals fleet of mini cranes & hydraulic crawlers for rent features the superior Maeda and UNIC cranes, small in stature but big when it comes to performance. Their compact strength and quality will surprise you.

Increased accessibility – now you can get compact, heavy lifters into smaller areas that would be inaccessible to standard cranes.

Our range is suitable for a variety of tasks, from basic lifting to highly specialist applications.

Our cranes are the ideal solution for small domestic and commercial construction projects where a standard crane would be too large. If you are looking for a crane to tackle a bigger job, then check out our range of larger cranes or contact our team for some expert advice.

RETRACTABLE LOADING PLATFORM SYSTEM

SUPERDECK®

The world-renowned Preston Rentals SuperDeck® Retractable Loading Platform System has been designed to simplify the handling of materials, save hook time, and rapidly improve productivity - particularly on multi-storey construction sites. The SuperDeck's revolutionary design offers a 'drawer-like' loading platform system, dramatically reducing crane loading times, and delivering savings on labour costs - all while improving overall site safety.

The SuperDeck® Retractable Loading Platform is fitted with fixed harness points to allow units to be vertically stacked and rolled in and out as required. This innovative design is rated for universally safe working loads of 5 tons and dramatically increases material handling efficiency by minimizing hinderance to crane ropes and loads for faster, safer, and more cost-effective crane operations.

SuperDecks can be operated by a single person and can be installed or relocated in approximately 15 minutes, providing significant savings in time and labor costs.

Extensive Range

Preston Rentals offers a wide range of intelligent shoring rental solutions for those working in the construction industry. Our extensive range of adjustable shoring is available for rent across North America, ensuring we can always deliver the quality shoring rental solution you need.

As a company that has been supporting the construction industry for over 50 years, Preston Rentals has a thorough understanding of shoring needs. We offer quality, industry-leading construction propping systems, expert advice, and support to make your job easier.

MATERIAL HANDLING

SUPERCAGE™

Preston Rental SuperCages™ provide flexibility to load difficult & cumbersome materials safely.

DIMENSION & CAPACITIES::

- The SuperCages™ interior dims 13'2" L x 6'4" W x 45"H
- 5,000lbs loading capacity
- Tare weight (empty) 3,000lbs

FEATURES:

- Steel tube frame
- Diamond plate steel floor
- Expanded metal side panels
- 4 pad eyes for top rigging
- Fold-down ramp for easy loading and unloading
- Designed to meet or exceed ASME B30.20 standards
- Minimizes wasted time and the hassle of carting equipment and materials through the man-lift

ACCESSORIES

ADD-ON SOLUTIONS

SUPERDECK® ADD-ON SOLUTIONS

Extended Side Panels - A steel mesh 14.76 ft to offer extended height on our Loading Platforms and also for safety, depending on job specifications.

Deck Trolley - This goes under the Loading Platform to hang the chain block and finish work beneath the unit.

Loading Platforms Ramp - Limited to 7.87", 15.75", 23.62" or by special order (Keeping to 3 degrees maximum). This ramp offers full access to the Loading Platform using our leg system.

ACCESSORIES

ADD-ON SOLUTIONS

SUPERCRANE™ ADD-ON SOLUTIONS

Chains/Slings - All Purpose Lifting Equipment.

Two Way Radios - For communication.

Lever Block/Chain Block - A lever block is a manual hoist that uses a ratchet and pawl mechanical configuration to lift, lower or pull a load and to apply or release tension.

Headache Ball - An auxiliary hook that can be used on a crane.

Remote & Cable - Cable remote controller for remote machine operation.

Glass Lifter - A convenient way to lift glass, metal, ceramic and other materials to position them for fixing. Vacuum technology used to grip the surface, glass lifters are an easy lifting solution.

YOU CAN COUNT ON PRESTON RENTALS FOR YOUR SPECIALIZED CONSTRUCTION NEEDS
